SESSION DESCRIPTION

MOVING THE EL ROADMAP FORWARD: BUILDING AND IMPLEMENTING THE SYSTEMS FOR DISTRICT- WIDE MULTILINGUAL PROGRAMS FOR ENGLISH LEARNERS

The CABE 2019 Administrator Leadership Symposium will provide school board members and district and site leaders with deeper dive into the English Learner Roadmap Policy approved by the State Board of Education in 2017. The EL Roadmap Policy is intended to assist districts, schools and county offices of education in welcoming, understanding, and educating the diverse population of students who are English Learners attending California public schools.

This year's symposium will feature a presentation by Dr. Laurie Olsen, co-lead of the EL Roadmap Workgroup, and several school districts and leaders that are making quality advancements in the implementation of the EL Roadmap. Participants will be engaged in reviewing, analyzing and planning for the implementation of the shifts and changes that the EL Roadmap Policy provides and exploring the direct impact it will have in their own schools and districts.

Leadership Teams are encouraged to attend together to take advantage of this innovative space for strategizing and planning. Participants will receive access key information, tools and resources, research, and structures to successfully implement the EL Roadmap in support of effective biliteracy and English Learner programs.
